

REALTOR® Association of Greater Fort Lauderdale CHARITABLE FOUNDATION

Founded in 1987, the REALTOR® Association of Greater Fort Lauderdale Charitable Foundation has been helping those Association members and the public who have specific needs which cannot be met from any other source.

Since its inception, the Foundation channeled more than \$300,000 to victims of Hurricane Andrew, built a children's playground at the Broward Partnership for the Homeless, and contributed funds towards medical expenses for several REALTORS®.

The Foundation needs your contributions in order to continue helping those with special needs.

- Every contribution you make is significant.
- All contributions are 100% tax deductible.

Won't you help the Foundation continue its valuable and necessary work?

You never know who will need assistance next.
