- **INTEREST RATES AT RECORD LOWS**
Interest rates are comparable to 40-year lows offering a once-in-a-lifetime opportunity.
- **LARGE INVENTORY WON'T LAST**
South Florida has a record inventory of homes on the market offering the greatest choice in decades.
- **PRICES HAVE STABILIZED**
Contracts for home sales in July are up 2.6 percent and the outlook is for home prices to increase next year.
- **POSITIVE OUTLOOK**
Former Federal Reserve Chair Alan Greenspan recently said that housing prospects are improving "Most of the negatives in housing are probably behind us."
- **A GREAT INVESTMENT**
Homeownership is a safe, secure way to build long-term wealth. The median price of South Florida homes bought five years ago has increased 58%. That number includes recent price adjustments caused by increased inventory
