**Affiliate Membership
Your Professional Network**

The Society of Commercial Realtors® works closely with allied organizations and businesses to advance the professionalism of real estate. Affiliate membership allows related businesses and individuals to foster a working relationship with area commercial real estate professionals.

◆ Meetings/ Functions

Affiliates are invited to attend all Society membership meetings, functions and events where they have the opportunity to meet with over 350 commercial Realtor® members representing over 150 real estate offices. They are encouraged to sponsor programs, seminars or speakers at meetings where promotional materials can be distributed and their businesses recognized.

◆ Committee Participation

Affiliate members are encouraged to serve on Society Task Forces where they participate as full voting members. The Task Forces concentrate on identifying members needs and developing, promoting and providing programs and services to enhance members' freedom and ability to conduct their individual businesses successfully.

◆ Communications & Advertising

Affiliate members and their businesses are included in the Society's membership directory. Once per quarter you will have the opportunity to showcase your business by sending an e-mail broadcast to the membership through our private list-serve.

◆ Realtor® Publications

Affiliate members have the option of subscribing to two magazines. The Florida REALTOR® is a monthly publication offered by the Florida Association of REALTORS®. It keeps members up-to-date concerning industry trends, legislation, programs and meetings at the state level. The NATIONAL ASSOCIATION of REALTORS® provides the latest news regarding financing issues, legal and legislative actions and national trends in their publication, REALTOR® Magazine.
