

RAGFL Recommended-Candidates In Upcoming Elections
Voters can cast ballots beginning August 11th

The REALTOR® Association of Greater Fort Lauderdale's Board of Directors has announced its recommended candidates for numerous state and county level elected positions. Some candidates were recommended based upon their record of support for our industry during their previous term in office. Many new candidates were invited to appear before the Candidate Screening Committee, comprised of volunteer RAGFL members, in order for us to learn more about their positions on the issues of concern to our industry, and their vision for the community at large. Early voting begins on August 11 for the Primary Elections to conclude on August 26. Those not in contested Primary races will be on the ballot on November 4.
